The show choir begins rehearsing in August **before school starts** (show choir camp) and then resumes rehearsing during the school year. Rehearsals will be during intervention during the school day (Tuesday to Thursday), after school on Tuesday from 6:00pm to 8:00pm and Thursday from 2:30 to 4:45pm. We will also have some Saturday practices. **Please understand that all practices and performances are mandatory. Appointments need to be scheduled around rehearsals.**

If you make it into Spectrum, a packet with a practice schedule, handbook, music, and competition schedule will be given to each student during camp.

FINANCIAL COMMITMENT

In order for us to be able to prepare and compete for the competition season, there is a financial commitment we need all students and parents to make. A financial obligation will apply, but fundraising will be available to help with cost. Fundraising will be discussed at our first parent meeting in June. All parents and students are expected to participate in fundraising to assure financial coverage for Spectrum year.

What would you like us to know about you?

***Please understand that it is important that if you decide to make a commitment to this group, that you honor that commitment. It is a lot of work to be a part of this group, but you will only get out of it what you put into it. We only want people that are able to truly commit to this group and stick with this group. We are dedicating our time to you, only audition if you are willing to do the same.**

SPECTRUM COMMITMENT AND FINANCIAL CONTRACT

I, _____, desire to be a member of the 2018-2019 Spectrum Show Choir. I understand that membership in Spectrum requires that I maintain a good GPA and a good attendance record at school. **Students must have a minimum GPA of 2.0 per grading period. I understand that I must attend ALL rehearsals and performances, both in and out of school. I understand that I have 3 excused and 2 unexcused absences. If I have too many absences, am involved in any fights, show disrespectful behavior towards teachers, students, parents, or anyone in an authority position, then I will no longer be a member of this ensemble.**

I understand this is a financial commitment I MUST honor. The expected total out of pocket cost will be \$300, which will be completed in payments with the final payment due by October 12, 2018. There is an additional fee that can be covered through group and separate fundraising. The \$300 does not include the shoes and undergarments that need to be purchased. We will have a representative here in the beginning of the new school year for you to purchase the shoes and undergarments. Also, money paid will be nonrefundable, due to it being used to cover cost of registration fees, costumes, music, hotel fees, traveling expenses, props, etc.

I have read and understand this commitment and financial contract.
